RESEARCH INTEREST

General Interests

Public Economics, Applied Economics, Micro-econometrics.

Specific Research Topics

Health Economics, Health Econometrics, Population Economics, Economics of Long Term Care.

EDUCATION

- 2008 Ph.D in Economics, University of Turin. Ph.D. Supervisors: Prof. Ugo Colombino and Prof. Gilberto Turati. Dissertation title: *“On the Determinants of Human Health: An Economic Perspective”*.
- 2004 Master in Economics, CORIPE Piemonte (University of Turin, Italy).
- 2003 Bachelor in Political Sciences, University of Eastern Piedmont, Italy. Final mark 110/110 cum laude, print worthy. Dissertation title: *“Regolazione dei Prezzi o delle Quantità: il Modello di Weitzman e Alcuni Sviluppi”*, Supervisor: Prof. Mario Ferrero.

VISITING EXPERIENCES

- 2011 Visiting researcher at the Centre for Health Economics, University of York, after being awarded the Alan Williams Fellowship from the same institution.
- 2007 Visiting PhD Student, Agency for Healthcare Research Quality (AHRQ) - Department of Human Health, Rockville, MD (U.S.A).
- 2004 Summer course in “Recent Developments in Empirical Industrial Organization” organized by Warwick University at Instituto Superior de Economia e Gestao (ISEG), Lisbon.

TEACHING AND ACADEMIC EXPERIENCES

Teaching

- 2017- 2019 Health Economics (**in English**), University of Pavia;
- 2017 Master “Advance Pharmaco & Health Economics” (APHEC), University of Genoa, lectures on health inequality;
- 2016-2018 Master in Economics, Organization and Management of Healthcare Purchasing, University of Pavia, lectures on health economics and population aging;
- 2017-2018 Health Economics, Policy and Management (**in English**), PhD in Applied Economics and Management (AEM), University of Pavia and Bergamo;
- 2017 Master “Advance Pharmaco & Health Economics” (APHEC), University of Genoa, lectures on health econometrics;
- 2016-2017 Public Economics, University of Pavia;
- 2016 Welfare Economics, Ca’ Foscari University of Venice;
- 2012-2016 Economics of Art and Culture, Ca’ Foscari University of Venice;
- 2014-2016 Master in Health Economics and Politics at Consortium for Research and Continuing Education in Economics – CORIPE, University of Turin, lectures on health economics, health production, health insurance and pharmaceutical industry;
- 2015 Lectures on pharmaceutical industry, AbbVie pharmaceutical company (Milan and Rome) in collaboration with University of Milano- Bicocca;
- 2013-2015 Master in Health Economics and Management, Ca’ Foscari University of Venice, lectures on pharmaceutical industry, health insurance, and population aging;
- 2014-2015 Master in Market Access in Life Science, University of Milano- Bicocca, lectures on pharmaceutical economics;
- 2014 Master in Public Administration, Ca’ Foscari University of Venice, lectures on health economics, health econometrics;
- 2013- 2014 Lectures on Pharmaceutical Industry, Bristol-Myers and Merck pharmaceutical company (Milan and Rome);
- 2012 Master in Health Science, Patients Academy project, promoted by Pfizer pharmaceutical company and Catholic University of Sacred Heart (Rome), lecture on Healthcare Systems;
- 2012 Public Finance, Ca’ Foscari University of Venice;
- 2011 Health Economics, Catholic University of Sacred Heart, Milan;
- 2008-2011 Public Economics, University of Turin;

- 2007-2008 Advanced Macroeconomics (Growth Theory), University of Eastern Piedmont, Alessandria.

PhD Supervisor

2018 Francesca Garbuglia “Decision making under uncertainty: state dependent utility functions and applications on health outcomes”, PhD in Applied Economics and Management, University of Pavia and University of Bergamo.

PhD Committee as External Examiner

- External examiner in the examination committee of the Phd Programme in Management Engineering at Politecnico of Turin (October, 2018);
- External examiner in the examination committee of the Phd Programme in "Economics", LASER, University of Milan (May, 2017);
- External examiner in the examination committee of the Phd Programme in "Economics ", Ca' Foscari University of Venice (February, 2017);
- External examiner in the examination committee of the Phd Programme in "Economics law and institutions", IUSS, Pavia (December, 2015);
- External examiner in the examination committee of the Phd Programme in "Institutions Economics Law" - Collegio Carlo Alberto, Moncalieri (Turin) (March, 2012).

Administrative Experience

- 2018-2019 Member of the Administrative Board of the Fondazione Romagnosi (Scuola di Governo Locale – Pavia), as representative of the University of Pavia;
- 2017-2019 Member of the Department’s Web Communication Committee, Department of Economics and Management, University of Pavia;
- 2016-2017 Member of the Department’s Space Planning Committee, Department of Economics and Management, University of Pavia.

Professional Service

- 2017-2019 Member of the Scientific Committee of the Phd in Applied Economics and Management University of Pavia and Bergamo;

- 2017-2019 Member of the Scientific Committee of the Italian Journal of Health Policy (Politiche Sanitarie);
- 2016-2019 Member of the Regional Commission for Healthcare Reform (Regione Liguria);
- 2014- 2017 Member of the Italian Health Economics Association's Steering Committee;
- 2014- 2016 Member of the Research Group born from the collaboration between Regione Veneto and Ca' Foscari University of Venice for monitoring the healthcare spending and healthcare services;
- 2012-2016 Member of the Scientific Committee of the Master in Health Economics and Management, Ca' Foscari University of Venice.

OTHER PROFESSIONAL EXPERIENCES

- 2007-2018 Collaborator - newsletter "Economia e Salute" (http://coripe.dontbenegative.it/EeS_NL.aspx), Consortium for Research and Continuing Education in Economics (CORIPE) - University of Turin;
- 2011 Collaborator of IREN Acqua Gas and University of Genoa for the project "PREPARED enabling change" (The Determinants of Residential Water Demand: A Panel Data Analysis of Water Consumption) within the context of the Seventh Framework Programme "Environment";
- 2009-2010 Collaborator of the Biomedical Sciences and Human Oncology Department, University of Turin, for the project "An Environmentally-safe Step Towards a Formalin-free Hospital";
- 2008-2010 Collaborator - Health Technology Assessment Committee, San Giovanni Battista Hospital, University of Turin;
- 2004- 2005 Tutor- Summer School in Applied Environmental and Regulatory Economics, "Fondazione per l'Ambiente Beppe Fenoglio", University of Turin, University of Eastern Piedmont.
